## November 2018

In the Christian tradition, we open November with All Saint's Day. The observance of

this day goes back to the 4<sup>th</sup> century and developed out of the long tradition of honoring and remembering those who were models of and martyrs for the faith. Typically, November makes us think of Thanksgiving Day or at least the idea of thanksgiving. I want to suggest that this month we combine the two in a way that honors those who have shown us how to be faithful Christians as we remember and give thanks for their lives.

All Saint's Day is grounded in the idea of the communion of saints. The communion of saints is one of the beliefs that we affirm in the Apostle's Creed. The idea develops out of the recognition that God has been reaching out to humanity from creation and we humans are able to experience and know God's love. The communion of saints in its broadest sense invites us to be a part of the family of those who seek to respond to God's love in the past, present and future; on earth as in heaven; now and forever. In a very real sense every time we gather around the communion table, we are celebrating All Saint's Day. It is in the celebration of the Lord's Supper that we are remembering Jesus the Christ. On one hand, we are remembering the deep sacrificial love of Jesus who gave his life to bring us into relationship with God. At the same time, we are symbolically bringing all of the members of Christ's body together again around our Lord's table. Re-membering Christ's body,

those physically present in the pews and those saints who form the great cloud of witnesses feasting with us in the fullness of God's presence. For, as theologian Elizabeth Johnson reminds us, those in God's family who die "fall into the hands of the living God" to be "quickened by the loving-kindness which is forever faithful." The love of God in Christ Jesus creates an extended "community of grace" those who have died, those living in hope, and those yet to be born: "all seekers of the divine, in a circle around the eucharistic table, the body of Christ which encompasses the earth itself."

This year we have lost some great saints of this church and of Christ's body on earth, but we can be thankful for their witness and their continued presence with us in the communion of saints. As we gather around the eucharist (thanksgiving) table on the 4<sup>th</sup> and as we gather around the Thanksgiving table on the 22<sup>nd</sup> let's not forget the saints who have gone before us. Let us give thanks for their lives and witness. Let them inspire us to lives of greater faith so that we may be an inspiration to those who surround us now and those who will come after us. Let these words from Hebrews 12 be our guide: "Therefore, since we are surrounded by so great a cloud of witnesses, let us also lay aside every weight and the sin that clings so closely, and let us run with perseverance the race that is set before us, looking to Jesus the pioneer and perfecter of our faith."

Many thanks go out to our congregation for the support they have given to Operation Christmas Child - Samaritan's Purse. About 65 boxes have been distributed. Please return your shoe boxes by November 11<sup>th</sup> with your postage in the envelope provided. Make your check out to Samaritan's Purse for \$9.00 with a note in the memo line that the donation is for Operation Christmas Child. This year we cannot put any candy or toothpaste in these boxes due to custom regulations in some of the third world countries.

If you have filled your box early or need additional boxes please call Sandra Brewster (833-8636.) If you cannot pay for postage, let Sandra know also, because we have people willing to help with the cost of postage.

Thanks again for the outreach each of you have given to this project!

# Stewardship CAMPAIGN

**Fairfield's Annual Stewardship Campaign** will be starting soon. The theme for this year's campaign is "Love and Gratitude" and will tie in with the sermon series about gifts of love. We ask that you begin prayerfully considering your pledge for 2019. If you have not pledged to Fairfield before, we invite you to do so this year. On Sunday, November 18 we will dedicate our pledges to the church for the coming year. Your pledge is vital to help plan Fairfield's programs for 2019.

We also want to thank everyone who has signed up for E-Giving! E-Giving allows you to have your financial gifts to the church sent electronically from your bank account on a regular (weekly, monthly, etc.). It also allows you to make one-time donations to the church, such as for a mission project or special program. You have the convenience of making your contribution while you are thinking about it, from your home computer or mobile device, without having to mail or even write a check. If you have not signed up yet, we encourage you to give it a try. You can find more information on Fairfield's internet home page, [www.fairfieldpcusa.org](http://www.fairfieldpcusa.org). Just click on the "Make Donation" link at the bottom of the page. If you have any questions, please contact the church office or a member of the Stewardship & Finance Committee.

## November Sermon Series "Gifts of Love"

Our next sermon series coordinates with a church's fall stewardship initiative, as these texts all explore different dimensions of giving in love. It begins with Christ's call to love God and love one another, especially recognized in the lives of saints. It continues with the extravagant generosity of the poor widow, whose contribution made a sizable impression on Jesus. It offers a compelling view of Christian community in Hebrews, in which all members are responsible for the encouragement and nurturing of one another. And it concludes with the grand vision of Jesus as the king of all creation, whose return and ongoing presence call us to love, courage, and persistence. Join us each Sunday as we explore these "Gifts of Love."

During the Christmas season, Fairfield is participating in the **Angel Tree Program**. The Angel Tree is a Richmond holiday tradition for thousands of families in Central Virginia. For many families, adopting an Angel is a wonderful way to share the spirit of the season with others in our community who are less fortunate. Each Angel represents a real child right here in the community who needs your help. We are adopting children who have a parent in prison. Each child has 2 angels on the tree and each Angel is to receive a gift costing approximately \$20.00. You can either deliver your (wrapped) gifts to the children directly or return them to the church by Sunday, December 11<sup>th</sup> and they will be delivered for you.

The Angel Tree will be displayed starting Sunday, **November 18<sup>th</sup>**.

We are also in need of your monetary (\$) donations that we use to purchase any items not collected in the collection boxes. Please

put all Thanksgiving donations in the Sunday offering plates or turn them into the office during the week. Designate cash in an envelope, marked, "Thanksgiving Baskets" or make your check out to Fairfield Presbyterian Church and specify "Thanksgiving baskets." Direct any questions to Billy Putze.

## *Thanksgiving Breakfast*

Can you believe the Men of the Church have been having this breakfast for 72 years?! Come join the tradition this coming Thanksgiving morning (November 22). We will worship at 7:30am and then join together for a delicious cooked breakfast by the Men of the Church. Enjoy a special message to remind us of our many blessings God has given to us as a church and his people. Next, break bread with a delicious hot breakfast and wonderful fellowship with fellow church members and friends that you don't always get to see. You will find it to be a great way to start your Thanksgiving Day festivities.

Please fill out the reservation slip located in the weekly bulletins and place it in the offering plate so we can prepare enough food for everyone. We look forward to seeing you there!

*"Blessing and glory and  
wisdom and thanksgiving and  
honor and power and might

forever and ever! Amen."*

## Thanksgiving Offering

Join with Presbyterians worldwide in sharing God's love with our neighbors-in-need around the world by providing relief from natural and human-caused disasters, food for the hungry, and support for the poor and oppressed. We will collecting our "One Great Hour of Sharing" offering on Thanksgiving morning at the worship service.

The One Great Hour of Sharing accomplishes so much in so many ways. When disaster strikes, such as our recent hurricanes, we are there through the OGHS which funds the work of the Presbyterian Disaster Assistance. Wherever people are dealing with starvation and lack of potable water, we are there through OGHS which funds the work of our Presbyterian Hunger Program. When someone wants to get a new start on life and doesn't want a hand out but a helping hand, we are there through OGHS and our Self Development of People mission. We who have been blessed with much have the opportunity this Thanksgiving morning to bless the many who need our love and assistance.

***The church is happening right now, all around us - because we share Christ's love.***

## Fall Small Group Four Weeks Only No Experience Required

Our annual fall small group studies began with discussion on Thursdays, October 25 and Mondays, October 29. The focus this year is on prayer. There is a wonderful daily devotional which will help you discover or enhance prayer as a part of your life. "The Beautiful Work of Learning to Pray," is well-written and the daily readings are not long, but interesting and powerful and can help deepen our relationship with God.

Our weekly meetings will focus on some of the most-loved prayers in the Bible.

Thursday nights, 7:00pm in the library  
Monday night, Pastor Starzer's home, 7:00pm

Books are available in the Narthex on Sunday mornings or at the meetings. If you want to contribute to the cost of the book, it is \$10 but is not required. The book is also available on Kindle. Please join us!

### The genius of generosity

Kansas pastor Jack Wellman has been credited with the insight that "there is a certain genius in generosity." He explains that when we open our hands - figuratively speaking - to allow something to pass through our fingers, rather than holding it with tightly clenched fists, God can give us new blessings.

"God cannot pour more into hands that are already clinging tightly to what they hold," says Wellman. Whether material goods or time, ideas or talents, money or energy, the gifts God has given us so generously are to be shared just as freely with others. With our hands continually open to receive, give and receive again, God's genius cycle of generosity goes on and on.

## *Session Notes October 2018*

Your Session was quite busy when they met this month. During our time together we were able to:

- renew the rental contract with Grace United Family Church for their use of the Historic Beulah Church for the year 2019 at the same monthly rate. It was noted that the Grace United Family Church has made numerous improvements to the building including adding insulation to the attic areas at their own expense. They have been model tenants and we are glad they are using the Historic Beulah Church for the purposes it was intended.
- made note that we have not yet dedicated the historical marker which was placed on the property of Historic Beulah Church. This will be done in a timely manner as soon as a mutually agreeable date can be found to do so in cooperation with Grace United Family Church.
- extend the shared space agreement with the New Beginnings Church after its trial period was completed. We extended their agreement of shared space/shared expenses through the end of 2019 at the same rate. It was noted by all the Elders that the relationship has been a very positive one and we are glad they are here with us.
- note that Gingerbread Cottage Preschool will be completing their time with us at the end of the current school year. They will be "returning" to the new Shalom Baptist Church next fall. We noted that they have been wonderful tenants and we will miss the joyful sounds they brought to our building.
- receive the Treasurer's report gratefully noting that we ended September in very good shape as we continue to solidify our finances and plan for the future of the Fairfield Congregation.
- approve the asking budget for 2019. We are looking at a very modest increase overall of less than 2.5%. The Stewardship Campaign for 2019 will be held during the month of November.
- rejoice with the Nominations Committee that their work is progressing well and ahead of schedule. When their work is complete a meeting of the Congregation will be called to receive and act upon their recommendations.
- charge the Personnel Committee with the responsibility to review the salaries of our staff for the year 2019.
- be happy to hear about Adult Discipleship's plan for the Fall Small Group study on the topic of prayer. One group will meet Monday evenings and another will meet on Thursday evenings.
- rejoice with the Children's Nurture Team that Sunday School with its new hands on curriculum was showing growth and vitality in that ministry. A number of the children have been enthusiastically learning memory verses from the Bible!
- hear that the Clothing Swap was very successful with a wonderful group of volunteers from Fairfield. Its numbers were down by 10% but that is still excellent since several churches in the area have copied our model for doing this mission. The Butterfly Babies Mission accepted all of the "left over" donations of children's clothing.
- learn from Evangelism that the new women's Bible Study has been very well received as an outreach to non-members as well as a few of our members. The numbers have been much higher than hoped for and the enthusiasm of the participants is very high as well.
- endorse the plan to invite Nicole Unice to be a keynote speaker at a women's event that will be an outreach to our community. This will take place sometime in 2019. It was thought that Evangelism money from the Beulah Church fund will be able to make this possible.
- be delighted to know that congregational participation with the new program to support Caritas has been very good. Both the lunch provisions and the towel drive were very well supported.
