

Jesus calls us to follow him. We start by hearing his teachings and being strengthened through Holy Communion. So we are here. Welcome, one and all. Here at Fairfield we offer a contemporary service at 8:45am and our traditional service at 11:00am. Please ask Dr. Steve Starzer, Rev. Shannon Hendricks, Rev. Sandi Shaner or any of the ushers for information on various programs and ministries. The Power of the Invisible – *The invisible presence of Christ in the believer and in the world*

This year's Lenten Devotional is written by Rev. Dr. Keith Curran, our Minister in Residence and is available online for download or printed upon request. Five devotions a week with Scripture readings will take the Fairfield family on a spiritual journey from Ash Wednesday to Palm Sunday.

Have you ever wondered how the Holy Spirit works in your life or what we need to know about God's Spirit? Join the church family this Lenten season in a daily journey of faith, guided by the Power of the Invisible – the invisible presence of Jesus in you and in the world. Each day's brief reading will dig deeper into the wonderful promise that God is with us as Emmanuel. The Jesus isn't distant but with us always, giving us peace, comfort, guidance and power to be the Children of God. Dive into this exploration of the Holy Spirit in action and find your faith renewed and refreshed by the invisible power of Jesus Christ. Lent begins on Ash Wednesday, March 2nd.

Thinking about joining Fairfield? Talk to Steve and plan to join us for a New Members Welcome meeting on Saturday, March 5th at 10:00am in the Open Door Classroom (#20).

A New T.U.L.I.P- A Kinder, Gentler, Calvinism for the 21st Century

Lent 2022 Study with Rev. Dr. Keith Curran, Minister in Residence

Fairfield folks are invited to energize your faith as you discover a fresh expression of the gospel challenge to be the Children of God in our day and age. The Lenten Study 2022 will dig deep into Dr. Curran's newly published book. Discover a new way of understanding the good news of Jesus Christ that helps answer today's questions in a welcoming and affirming expression of God's love.

"In my new book, I've tried to condense several thoughts and insights that I've been struggling with as a minister in a society that is both postmodern and 'post-Christian'. Serving an historic denomination, like our Presbyterian Church, has turned out to be a great vehicle for innovation as it allowed me to offer the church a broader way of doing theology that I believe makes sense in our contemporary life. After all, our Calvinistic roots provide a clarion call for theological innovation. The cry, *Reformed and always being reformed* has been the motto for Reformed Christians for over five centuries.

My hope is that this study will catch your attention and pique your curiosity. By revisiting the old Sunday School acrostic T.U.L.I.P. you and the church will appreciate not only our historic viewpoints but also be challenged to consider our faith and beliefs in new ways for a new day. Theology really does matter for believers. And I hope this study will energize your faith and deepen your understanding of how 21st Century Presbyterians can offer our friends, neighbors and family members an invitation to a church that is all about God's amazing grace and awesome love."

Classes will start on Monday, March 7 at 7:00pm in the Heritage Hall. Books are available in each narthex. A suggested donation is \$12 per book.
