July 2023

Dear friends,

I've always thought "Vacation, Bible, and School" to be a funny collection of words. Look, I'm a big fan of the Bible, but I'm not one to spend much time studying on my vacation! Not to mention, the word "school" being thrown at the end seems to negate whatever joy I may feel out of a relaxing time away.

Now, I understand the idea behind mashing these three words together. Holding a week-long exploration of the Bible, especially with all the competing events in the summer, needs a little help to build interest - so why not sell it as a fun time away from the drudgery of home, especially if children and youth will have nothing else going on. "Grab your flip flops, beach towels, and join us at church!"

Traditionally, that's been the idea at least: VBS as a place to drop off children for an extra week of fun and learning while parents carry on with work, or whatever other summer activities are at play. However, these days, churches are getting more and more creative in how they organize time in the summer to dig deep into the Bible.

While VBS for children and youth is on pause for another year, we will be resuming a recent new tradition at Fairfield of "Adult Vacation Bible School." Over the course of 3 evenings (July 9-11), we will gather for light refreshments and insightful lectures and conversation.

Vacation? Sure, wear flip flops if you wish, leave behind whatever summer obligations that are weighing on you as you enter these doors. Let this time be special and set apart.

Bible? Of course! BYO or use one of ours. We'll be digging in deep to the Gospel of John. Come with questions, doubts, open hearts, and open minds.

School? Who doesn't love learning? Fear not, there will be no quizzes or tests, no need for backpacks or #2 pencils. Think of it as coming to spend quality time with friends as we engage our hearts and minds on what the Holy Spirit is saying to us.

Fairfield's commitment to learning, growing, and exploring how God is at work in our lives, and the world beyond, has continually been a thing of wonder to me. I'm excited to be part of VBS, along with the many other ways we do faith formation together. See you soon!

Grace & Peace,

We are excited to announce that this year's Adult Vacation Bible School study is almost here! Our Bible study topic this year will be the Book of John. It will be led by our pastors, as well as Pastor Larry from New Beginnings Church. The dates and times are: Sunday, July 9 - 5:00pm, and Monday - Tuesday, July 10-11 - 7:00pm. Light refreshments will be served. We are looking forward to this study and we hope that you will join us as we participate in this in-depth study of the life and teachings of Jesus.

In addition, we will be collecting boxed cereal and condiments (mustard, ketchup, mayonnaise) each night for MCEF. We would appreciate any contributions.

When you received Jesus as your Savior, you began to live in two homes - earth and heaven. You were born the first time into your earthly family. Now you have been born again into the family of

God. You are a citizen of both worlds. Your new heavenly home is the biggest one. It is God's home. It is yours because you are united to Jesus and heaven is where he lives.

But we don't need to wait until we die to visit heaven. Prayer is the airline to our heavenly homeland. We walk heaven's streets and view its wonders each time we fellowship with the Lord.

"Back to School" August 1 - 2

As in past years, students in pre-school through high school will be able to choose a few outfits, new socks and underwear and some school supplies to get them started. Of course, MCEF can't offer every item on a teacher's list but we will try to have the following items available. If your Vacation Bible School, Sunday School Class, community, workplace or any group you are involved with would like to have a drive, please consider the items listed below. Pick one, two or whatever your group decides. Thank you for thinking of MCEF. All you do for Missions is so greatly appreciated.

School supplies MCEF hopes to offer:

- #2 pencils
- Pens (blue, black, red ink)
- Colored pencils
- Colored markers
- Crayola crayons
- Highlighters
- Elmer's glue sticks
- Expo markers
- Dividers for notebooks (with tabs)
- Pocket folders (with and without prongs)
- Composition books (any color)
- Index cards (lined, white and colors)
- Notebook paper (wide or college rule)

Under-Age Thinking...

Sprinkle and split

A sprinkle of pepper and a dab of soap illustrate a big concept from God's Word.

What you need:

- Shallow dish
- Water
- Black ground pepper
- Toothpick
- Dish soap
- Bible

What you do:

1. With the dish on a table, fill it halfway with water. Don't jiggle the dish.
2. Sprinkle pepper on the water.
3. Dab the toothpick into a drop of soap. Then touch its tip to the center of the water and observe.
4. Read Psalm 103:8-12.
How does this experiment illustrate God's forgiveness?
5. Explain the science behind this experiment: The soap disturbs the water's surface tension. The soap molecules don't want to interact with the water. This repels the water molecules from the soap, causing the floating pepper to also move to the sides.

Puzzle!

Jesus instructs us to give and serve. What does Proverbs 3:27 (NIV) tell us *not* to do? To find out, cross out all the following letters. Then write the remaining letters in order on the spaces below.

2023 Fairfield Worship Survey Summary

Thank you for your participation in our 2023 worship survey. Over the course of 3 weeks, we collected 81 responses! Below is a summary and some brief analysis.

Overall, the spirit of the responses was very positive. Worship at Fairfield Presbyterian Church is clearly meaningful and inspirational to many. Responses were overflowing with praise and gratitude for the worship team, choirs, music staff, and the pastors.

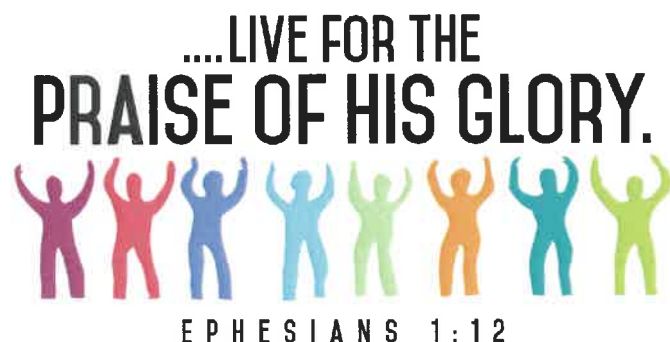

In analyzing the data, the worship team has made a prayerful effort to notice the Spirit's nudging in discerning things worth giving attention and time towards. In the coming months, we hope you will notice some changes! Please know this is an ongoing conversation - the worship team is always eager to discuss with you.

Fairfield Worship Team: *Larry Hansbrough (elder), Marge Wantz (elder), Amy Wenninger (music director), Celeste Underdown (choir and bell director), Matt Wenninger (praise band leader), Dave Starzer (organist and IT coordinator), Mike Watson (associate pastor)*

- **Which worship service time do you most often attend (or watch online?):** Responses were almost exactly 50/50! This was a great sign for the rest of the survey - answers were a true reflection of both services.
- **Why do you attend worship at that particular time?** Our top 2 answers were: "music" and "at a convenient time." Many like the traditions/liturgy at the 11am service, while others prefer the more relaxed nature of the 9am service. These answers were an affirmation of how both services continue to meet the needs of many in our congregation.
- **If we did a combined worship service, how often would you like this to happen?** Once a month - 22.4%, A couple times a year - 50%, Once a year - 5.3%, I prefer not to attend a combined worship service - 21.1%. Clearly, there is a desire for occasional combined services. The worship team has decided to plan on between 2-4 combined services throughout the year.
- **How often do you watch the worship service online?** Every week - 8.9%, Once a month - 12.7%, Once every other month - 3.8%, A few times a year - 45.6%, Never - 29.1%. The number of online worship attendees was slightly higher than the worship team expected. We are grateful a number of folks are finding having the service online a helpful resource.
- **If you never watch our service online, please share why:** The majority of respondents desire in-person worship. However, many have found online services helpful when out of town or when coming in-person is too difficult.
- **If you do watch the service online, please share suggestions to make that experience better?** Difficulty hearing portions of the service was the most common response. The worship team will work to make this experience better.
- **What are your thoughts on bringing back an outdoor, 9am worship service for a few weeks?** Almost half of respondents would enjoy a return of this service with one often suggested change - that it be held in cooler weather! The worship team is planning a 9am outdoor service this Fall, when the weather cools. Following some helpful comments - we will ensure that the worship space and sound quality are sufficient for that service.
- **What are your favorite hymns or praise songs to sing?** Attendees of the 9am service requested the singing of more hymns on occasion, attendees of the 11am service requested more

older hymns on occasion. Many great hymns and praise songs were lifted up as favorites - with *How Great Thou Art*, *They'll Know We are Christians by Our Love*, and *Here I am Lord* leading the pack!

- **Do you have any other thoughts on our music program you'd like to share?** The most common suggestions were 1. A desire to see musicians and singers share talents across both services. 2. A desire for the children/youth choir to return. 3. More singers in the choir (please join!!).
- **How do you feel about sharing prayer requests out loud in worship?** A majority of respondents were interested in this practice returning, however, there were concerns about confidentiality (with the service streamed online) and brevity. As a number of you expressed interest in prayer cards (read by the pastors), the worship team will explore this possibility.
- **What are your thoughts on occasional communion served by intinction?** Positive response to this practice was mostly shared by 9am service attendees. Many were not in favor of dipping bread. The worship team has decided to explore a middle ground of inviting folks forward to receive bread and the usual individual communion cup at 9am, with a traveling bread/cup for those who need it. Communion at 11am will remain the same.
- **Are any parts of the service difficult to hear?** Please elaborate. Many expressed general hearing difficulties, especially with the 11am service. The worship team was already aware of many of these. There was a desire to hear children's answers during the children's moment. The worship team discussed that holding mics in front of children generally frightens them from responding. We'll work to have our children's time leaders speak out loud what some of the children say.
- **Is there anything you wish we did more of in our worship services?** Many 9am worship attendees expressed a desire for a liturgical elements showing up on occasion. There was also a desire for a healing service again. Lastly, many requested consistent daycare for the 11am service.
- **Any other information you would like to share?** Popular responses include: 1. Name tags (the worship team recognizes logistics challenges with this and would welcome input on it). 2. Air from overhead fans in the Family Center making the room cold (the worship team has named the difficulty in keeping that space at a comfortable level), 3. More special music programs. We were grateful for many other ideas and suggestions that were made.
