This workshop focuses on four

main questions: How can I stay in my home for as long as possible: What are my options if and when I decide it's time to move? How do I access the different support systems that can help care for me when needed? What are some practical steps I can take now to prepare for the future? This workshop is appropriate for anyone wanting to be more proactive about their future.

**The deadline** for bulletin items is Wednesday, 12:00pm.

**Reminder:** Please be sure to call the church office if you would like to use a room for a meeting or event. A room to meet in might not always be available if it isn't on the calendar.
